* **Instructional Charge:** Cost associated with instructional and classroom time. Note: For students receiving waivers or tuition assistance, the instructional charge is the only portion eligible to be waived. All other costs, such as institutional charges and program differentials charges are the student's responsibility to pay.

** **Institutional Charge:** Required charge assessed to all enrolled NIU students. Allocations from charges support: building maintenance for classroom buildings and other campus facilities such as Holmes Student Center, the Recreation Center and the Convocation Center, and campus infrastructure improvements in order to provide students with a quality learning environment; University Health Service which provides comprehensive ambulatory health care for students while the university is in session; the Huskie Bus service (fee paying students can ride buses without paying charged fares); the university's intercollegiate athletic programs for both men and women; the university's grants-in-aid program (a merit based scholarship program); and the Student Association and its activities such as concerts, films, speakers, etc.; Other student support services such as student government programming, arts and culture, the Northern Star student run newspaper, and cultural diversity programming.

Online Programs (Listed in Section II): The institutional charge for these online programs are used to support infrastructure needed to deliver regional and online courses (e.g., operations of NIU regional centers, rental of non-NIU facilities, faculty travel and development of online courses).

*** **Program Differential:** Charge specific to a students Graduate or Law program. Students can contact their college office for more information on the purpose and use of these charges.
